Al Wordingham Scholarships for Excellence in Math

\$2,000 Total Awards for 2006

5th, 6th, 7th and 8th Grade Students at Naples Central School

The Al Wordingham Scholarship Committee is pleased to announce the winners of the scholarships in 2006 based on high achievement in Math, participation in out of school activities and an outstanding scholarship application.

One winner from each grade (5th, 6th, 7th, 8th) was awarded an interest-bearing, \$250 US Government I-Bond to save for college. All other excellent applicants were awarded a \$50 I-Bond for their high achievements.

Grade 5:	Ben Pulver
Grade 6:	Kevin McLellan
Grade 7:	Mackenzie Smith
Grade 8:	Amy Lee Schenk

Congratulations to All!
